

Grup de Recerca en *Oncologia Molecular*

'MIGUEL SERVET' RESEARCHER

We are currently looking for highly motivated candidates to apply for a Researcher position funded by the 'Miguel Servet' Program of the Spanish Government (http://www.isciii.es/ISCIII/es/contenidos/fd-investigacion/fd-financiacion/fd-convocatorias-ayudas-accion-estrategica-salud/fd-guias-ayuda/Guia_ayuda_Miguel_Servet_2011.doc).

THE CANDIDATE SHOULD:

- Have a doctoral degree obtained between January the 1st 1996 and December 31st 2006.
- Good publication record in the field of Molecular Oncology.
- Have professional experience in top national/international research institutions.
- Write a research project in the field of colorectal cancer research.

WE OFFER:

- Research position for 3+2 years.
- Salary: 40.500 Euros per year.

The successful candidate will join the Group of Molecular Oncology of the Vall d'Hebron Research Institute (<http://www.vhir.org/gr/nanomolecularoncology>) in the first half of 2013.

CONTACT:

Dr. Diego Arango before 19-June-2012: diego.arango@vhir.org.
