

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission **HR Excellence**.

This recognition proves that VHIR endorses the general principles of **the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (Charter & Code)**.

Thus, there are no restrictions of gender, national origin, race, religion, sexual orientation or age and **candidates with disabilities are strongly encouraged to apply.**

Clinical Investigator

Intensive Care Department/SODIR Research group

Vall d'Hebron Research Institute (VHIR) is a public sector institution located in Barcelona (Spain) that promotes and undertakes innovative biomedical research at the University Hospital Vall d'Hebron. VHIR is focused on finding solutions to the health problems of citizens, and aims to contribute to scientific, educational, social and economic development within its specialist fields around the world.
