

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission **HR Excellence**. This recognition proves that VHIR endorses the general principles of the **European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (Charter & Code)**. Thus, there are no restrictions of gender, national origin, race, religion, sexual orientation or age and **candidates with disabilities are strongly encouraged to apply.**

Headache Biophysics/Informatician PostDoc Headache and Neurological Pain

VHIR offers vacancy/vacant position for a Headache Biophysics/Informatician Translational Research PostDoc within the Headache Research Group.

JOB DESCRIPTION

Education and qualifications:

Candidates must have a degree in informatics and a Predoctoral experience and PhD in biophysics. We are especially interested in studying the visual system in migraine and other headaches in a comprehensive way. Moreover, we are interested in someone who will help us program neurophysiological experiments and analyse current databases.

Required:

- Proven interest in research and headache
- Experience in translational research
- Interest in other headache translational research techniques (neuroimaging, molecular, genetic)
- English knowledge

Main responsibilities and duties:

- Create a research line on Sensory System in the Migraine Adaptive Brain Program
- Supervise a small research team of Predocs
- Good teamwork skills
- Write grants
- Write papers and publish them
- Translational research projects development and management

Labour conditions:

- Full-time position: 40 h/week
- Contract length: 1 year
- Gross annual salary: 27.800€ euros.

How to apply:

Interested candidates should submit a cover letter and a full Curriculum Vitae with the reference **Clinical and Translational Research in Headache** to the following email address: seleccio@vhir.org and ppozo@vhir.org IP address
