

Support Technician Contract

Diabetes and Metabolism Research Group

VHIR offers vacancy/vacant position for a Support Technician Contract within the Diabetes and Metabolism Group

Vall d'Hebron Research Institute (VHIR) is a public sector institution located in Barcelona (Spain) that promotes and undertakes innovative biomedical research at the University Hospital Vall D'Hebron. VHIR is focused on finding solutions to the health problems of citizens, and aims to contribute to scientific, educational, social and economic development within its specialist fields around the world. The Diabetes and Metabolism Research group announces a position to apply for a Research Support Technician Contract.

More information can be found [\[here\]](#)

JOB DESCRIPTION

Education and qualifications:

Required.

Degree in Biological, Health or Basic sciences (Biology, Biotechnology, Pharmacy, Biomedicine)

Desired:

Laboratory Technician

Experience and knowledge:

Required:

- Accreditation as "Research Personnel User of Experimental Animals"
- Experience in dissection, processing and analysis of tissue samples in murine models.
- Good knowledge of lab techniques and PNTs as RT-PCR, western-blot and Immunofluorescence
- Proactive, organized person, committed to the tasks required by the position

Desired:

Vall d'Hebron Research Institute promotes research and biosanitary innovation. Its aim is to find and to apply solutions to people's health problems. VHIR takes a chance on disruptive research based on daily health problems arising from the hospital, with an international outlook. We transfer to society the knowledge developed in our research lines and we are one worldwide reference in clinical trials.

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission **HR Excellence**. This recognition proves that VHIR endorses the general principles of **the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (Charter & Code)**. Thus, there are no restrictions of gender, national origin, race, religion, sexual orientation or age and **candidates with disabilities are strongly encouraged to apply.**
