

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission **HR Excellence**. This recognition proves that VHIR endorses the general principles of the **European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (Charter & Code)**.

Thus, there are no restrictions of gender, national origin, race, religion, sexual orientation or age and **candidates with disabilities are strongly encouraged to apply.**

## Laboratory Technician Microbiology Research Group

VHIR offers vacancy/vacant position for a **Laboratory Technician** within the **Microbiology Research group**

### JOB DESCRIPTION

#### Education and qualifications:

##### Required:

- FP2 Laboratory technician or equivalent

#### Experience and knowledge:

##### Required:

- Previous experience (for more than 2 years) in a clinical microbiology laboratory.
- Expertise on the use of molecular techniques (PCR, TMA, Sanger and next-generation sequencing) for detection and characterization of human pathogens.
- Experience with automated laboratory equipments.
- Experience in Quality Management Systems.
- Good computer skills, especially in MS Office.

##### Desired:

- Proactive, dynamic and outstanding organizational skills are required.
- Expertise in the field of human respiratory viruses.

#### Main responsibilities and duties:

- Manipulation of human biological samples under BSL-2 conditions. Maintenance of several sample collections.
- Preparation of reagents, maintenance of laboratory stocks and equipments.
- Performing experimental assays based on PCR, Sanger sequencing and next-generation sequencing.

### Labour conditions:

- Full-time position (40h / week)
- Length of the contract: for one year (1<sup>st</sup> January 2021 – 31<sup>st</sup> December 2021).
- Gross annual salary: 20.500 €
