

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

HR EXCELLENCE IN RESEARCH

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission **HR Excellence**.

This recognition proves that VHIR endorses the general principles of the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (**Charter & Code**).

VHIR embraces Equality and Diversity. As reflected in our values we work toward ensuring inclusion and equal opportunity in recruitment, hiring, training, and management for all staff within the organization, regardless of gender, civil status, family status, sexual orientation, religion, age, disability or race.

Documentation and Process Specialist

Quality, Documentation Mgmt. and Processes

VHIR offers a new position within the Quality, Process and Document Management Area, in order to develop and implement a Document Management System in coordination with VHIR's process analysis, definition, mapping and improvement. This position offers a highly motivating new challenge with the possibility to participate in VHIR's Digital Transformation Plan and to work closely with all areas across the organization.

The position requires a polyvalent professional with the ability to work both, in process and documentation management, combining with other specific projects.

JOB DESCRIPTION

Education and qualifications:

Required:

- Diploma or Bachelor's Degree, in Information and Documentation Management.
- Fluency in Spanish, English; Intermediate level in Catalan.

Desired:

- Specific/Additional training in Document Management standards ISO 30301 and Quality Management Standards ISO 9001, will also be valued.
- Knowledge of ISO 15489; Information and documentation. Records management standards.
- Additional training in Process and Quality management improvement tools (Lean six-sigma, Agile, etc.)
