As reflected in our values we work toward ensuring inclusion and equal opportunity in recruitment, hiring, training, and management for all staff within the organization, regardless of gender, civil status, family status, sexual orientation, religion, age, disability or race.

Main responsibilities and duties:

The Paediatric Haematology and Oncology Division of Vall d'Hebron Hospital treats around 120 children and adolescents with cancer per year as well as up to 500 new patients with haematological conditions and performs 50 stem cell transplantations. The unit is part of the European Innovative Therapies for Children with Cancer (ITCC) consortium and has an ambitious clinical research program including early and late phase trials, a personalised medicine programme and multiple lines of research in stem cell transplant, sarcomas, neuroblastoma, CNS tumours and non-malignant haematology. All research is conducted through the Translational Research in Child and Adolescent Cancer Group of VHIR. There are 30 early phase and 18 late phase clinical trials ongoing. The candidate will join a very active team of 14 paediatric haematology and oncology consultants, 2 study coordinators, 2 data managers and 1 research nurse, and be involved in the day-to-day conduct of late phase clinical trials & patient registries

- Participation in recruitment and trial-related activities of patients enrolled in late phase clinical trials & registries particularly in the field of Stem Cell Transplant.
- Assistance to trial principal investigators (paediatric Stem Cell Transplant Unit consultants) with day-to-day conduct of late-phase trials & registries at the Paediatric Haematology and Oncology Division of Vall d'Hebron Hospital

Labour conditions:

- Full-time position at VHIR.
- Start: January 2024.
- Temporary contract.
- Gross annual salary: 35.000 € (annual)

What can we offer?

- Incorporation to Vall d'Hebron Research Institute (VHIR), a public sector institution that promotes and develops the biomedical research, innovation and teaching at Vall d'Hebron University Hospital (HUVH), the biggest hospital of Barcelona and the largest of Catalan Institute of Health (ICS).
