

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

HR EXCELLENCE IN RESEARCH

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission **HR Excellence**.

This recognition proves that VHIR endorses the general principles of the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (**Charter & Code**).

VHIR embraces Equality and Diversity. As reflected in our values we work toward ensuring inclusion and equal opportunity in recruitment, hiring, training, and management for all staff within the organization, regardless of gender, civil status, family status, sexual orientation, religion, age, disability or race.

RRI and Societal Impact Senior Project Manager

Strategy Area

VHIR is seeking a Senior Project Manager specializing in Responsible Research and Innovation (RRI) and Societal Impact to join its Strategy Area. The successful candidate will play a pivotal role in the Citizen Science and RRI-related activities of the Horizon Europe Widera project **iMM-CARE: BOOSTING CLINICAL RESEARCH FOR THE BENEFIT OF SOCIETY**.

VHIR has created a strategic alliance with the Instituto de Medicina Molecular (IMM) João Lobo Antunes, and the selected candidate will monitor and provide guidance on Ethics, Open Science, patient engagement and the Citizen Science project's endeavours towards achieving the best outcomes. The candidate will also collaborate with the Teaching Unit/ Clinical Research Area to facilitate and promote high-quality, innovative training programmes that align with the institute's strategic goals.

JOB DESCRIPTION

Education and qualifications:
