

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

HR EXCELLENCE IN RESEARCH

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission **HR Excellence**.

This recognition proves that VHIR endorses the general principles of the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (**Charter & Code**).

VHIR embraces Equality and Diversity. As reflected in our values we work toward ensuring inclusion and equal opportunity in recruitment, hiring, training, and management for all staff within the organization, regardless of gender, civil status, family status, sexual orientation, religion, age, disability or race.

Study Coordinator (with PHD degree)

Nephrology and transplantation research group

We are hiring a study coordinator (with PHD degree) to coordinate the multicentric European study “Towards a personalized clinical management of oncologic patients with acute kidney injury (AKI) associated to immune-checkpoint inhibitors (ICIs)”, file number AC22/00029 and financed by the ERA-PERMED JTC2022 and Instituto de Salud Carlos III (ISCIII) and co-financed by the European Union.

JOB DESCRIPTION

Education and qualifications:

Required:

- PhD in biology, biochemistry, biomedicine or similar.
- Certificate for working with animals for research.
- Fluency in Spanish and English

Desired:

- Training in kidney disease and in immunology.
- Fluency in Catalan will be a plus.

Experience and knowledge:

Required:

- At least 2 years' experience in a similar position.
- Author of papers in international journals.
- Experience in scientific project writing.

Desired:

- Experience as study coordinator.

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.
