

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

HR EXCELLENCE IN RESEARCH

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission **HR Excellence**.

This recognition proves that VHIR endorses the general principles of the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (**Charter & Code**).

**VHIR embraces Equality and Diversity. As reflected in our values we work toward ensuring inclusion and equal opportunity in recruitment, hiring, training, and management for all staff within the organization, regardless of gender, civil status, family status, sexual orientation, religion, age, disability or race.**

## Licensed Technician (Pediatric Hepatology)

### HBP surgery and liver transplantation

Vall d'Hebron Research Institute (VHIR) is a public sector institution, located in Barcelona (Spain) that promotes and develops innovative biomedical research at the University Hospital Vall d'Hebron. VHIR is oriented towards finding solutions to the health problems of the citizens and has the will to contribute to the scientific, educational, social and economic development within its area of competence around the world.

VHIR offers a vacant position within the Group "Cirugía Hepato-bilio-pancreática (HBP) y trasplante hepático"

The researcher will work on a project entitled "Estudio de cohortes para la valoración de la evolución histológica de los pacientes pediátricos con trasplante de hígado", currently funded by the Beca Sira Carrasco (Spanish Society for Paediatric Gastroenterology Hepatology and Nutrition)

More information about our group can be found here → <https://vhir.vallhebron.com/es/investigacion/cirugia-hepato-bilio-pancreatica-hbp-y-trasplante-hepatico>
