

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

HR EXCELLENCE IN RESEARCH

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission **HR Excellence**.

This recognition proves that VHIR endorses the general principles of the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (**Charter & Code**).

VHIR embraces Equality and Diversity. As reflected in our values we work toward ensuring inclusion and equal opportunity in recruitment, hiring, training, and management for all staff within the organization, regardless of gender, civil status, family status, sexual orientation, religion, age, disability or race.

Head of Clinical Trials Budget Unit

Clinical Trials Budget Unit

The Commercial and Contracted Clinical Research Directorate (RCCC) is part of the research support structure of the VHIR that aims to:

1. The accompaniment to clinical research teams, in the course of the search, identification and management of proposals within the framework of the clinical research of commercial sponsor;
2. Contact with commercial sponsors to detect market opportunities;
3. Contact with meta-actors (Pharmaceutical-Industry, AEMPS, EMA, EU, ...) in order to increase the visibility and positioning of VHUH-VHIR in the clinical research scenario; and
4. The definition, obtaining and structuring of the results and indicators of clinical research activity so that VHIR General Management or other Units (Technical Secretariat) can transmit information referring to this activity scenario.
