

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

HR EXCELLENCE IN RESEARCH

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission **HR Excellence**.

This recognition proves that VHIR endorses the general principles of the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (**Charter & Code**).

VHIR embraces Equality and Diversity. As reflected in our values we work toward ensuring inclusion and equal opportunity in recruitment, hiring, training, and management for all staff within the organization, regardless of gender, civil status, family status, sexual orientation, religion, age, disability or race.

Lawyer for Clinical Trials/Clinical Projects/IPR

Legal Unit

VHIR offers a vacant position for a lawyer with experience in various areas of the Healthcare environment to develop tasks within the Legal Unit. This unit ensures the regulatory compliance in all institutional acts, especially in biomedical research projects and IP. This unit aims to ensure the regulatory compliance in all institutional acts, especially in IP and biomedical research projects; give advice to the scientific community at VHIR of the continuous legal developments that affect biomedical research and, therefore, the transfer of results to society; and to the different services and departments at VHIR.

JOB DESCRIPTION
