More information can be found [\[here\]](#)

Vall d'Hebron Research Institute promotes research and biosanitary innovation. Its aim is to find and to apply solutions to people's health problems. VHIR takes a chance on disruptive research based on daily health problems arising from the hospital, with an international outlook. We transfer to society the knowledge developed in our research lines and we are one worldwide reference in clinical trials.

JOB DESCRIPTION

Education and qualifications:

Required.
