

Clinical Pharmacologist

Clinical Pharmacology Group

The Vall d'Hebron Research Institute (VHIR) opens a selection process to incorporate a Clinical Pharmacologist to support its Clinical pharmacology group

[f](#) [i](#)

Vall d'Hebron Research Institute promotes research and biosanitary innovation. Its aim is to find and to apply solutions to people's health problems. VHIR takes a chance on disruptive research based on daily health problems arising from the hospital, with an international outlook. We transfer to society the knowledge developed in our research lines and we are one worldwide reference in clinical trials.
