

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission **HR Excellence**. This recognition proves that VHIR endorses the general principles of the **European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (Charter & Code)**. Thus, there are no restrictions of gender, national origin, race, religion, sexual orientation or age and **candidates with disabilities are strongly encouraged to apply.**

## Laboratory Technician General Surgery Research Group

VHIR offers vacancy/vacant position for a **Laboratory Technician** within the **General Surgery Research** group (GSRG-VHIR). More information about our group can be found here:

[http://www.vhir.org/web\\_vhir/portal1/grup-presentacio.asp?s=recerca&contentid=187115&idrefer=187116](http://www.vhir.org/web_vhir/portal1/grup-presentacio.asp?s=recerca&contentid=187115&idrefer=187116)

### JOB DESCRIPTION

#### Education and qualifications:

##### Required:

- Technical degree (FP II or similar) in the field of biosciences

#### Experience and knowledge:

##### Required:

- Experience in cell culture (mandatory)
- Experience in common cellular and molecular biology techniques such as ELISA, immunocytochemistry, qPCR ...
- Good computer skills, especially in Microsoft Office
- Fluency in English-reading skills
- Ability to handle varying workloads and aptitude for teamwork
- Sense of responsibility, proactivity and well-organization

##### Desired:

- Previous experience in a biomedical research laboratory
- Experience in purchasing and stock control of consumables and reagents
- Experience in the collection and storage of biological specimens
- Experience in laboratory record keeping
- Experience in the performance of statistical analysis using GraphPad or similar
- Experience in the field of polymeric biomaterials (helpful)

### Main responsibilities and duties:

- Handling, processing and storage of biological samples and associated data
- Cell culture (in the presence or absence of biomaterials)
- Administrative and laboratory management tasks
- Experimental support to investigators
- Data integration and interpretation

### Labour conditions:

- Temporary part-time position (20h/week).
- Starting date: Expected for 10<sup>th</sup> January 2022
- Length of the contract: 6-months
- Gross annual salary: 9.343,00 €

The selection process will consist of a merit-based procedure. We will first check the eligibility criteria based on the candidate's resume and taking into account the requirements described in this job offer. Those who pass this check will be interviewed.

### What can we offer?

- Incorporation to Vall d'Hebron Research Institute (VHIR), a public sector institution that promotes and develops the biomedical research, innovation and teaching at Vall d'Hebron University Hospital (HUVH), the biggest hospital of Barcelona and the largest of Catalan Institute of Health (ICS).
- A scientific environment of excellence, highly dynamic, where high-end biomedical projects are continuously developed.
- Continuous learning and a wide range of responsibilities within a stimulating work environment.
- Personal training opportunities.
- Flexible working hours.
- 23 days of holidays + 9 personal days.
- Flexible Remuneration Program (including dining checks, health insurance, transportation and more).

### How to apply:

Applicants should submit a full Curriculum Vitae and a cover letter (including the contact references of at least two referee) with the reference CV's "*Tec Lab\_GSRG-VHIR*" to the following email addresses: [m.antonia.arbos@vhir.org](mailto:m.antonia.arbos@vhir.org), [maite.quiles@vhir.org](mailto:maite.quiles@vhir.org) and ([seleccio@vhir.org](mailto:seleccio@vhir.org)).
