

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

HR EXCELLENCE IN RESEARCH

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission **HR Excellence**.

This recognition proves that VHIR endorses the general principles of the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (**Charter & Code**).

VHIR embraces Equality and Diversity. As reflected in our values we work toward ensuring inclusion and equal opportunity in recruitment, hiring, training, and management for all staff within the organization, regardless of gender, civil status, family status, sexual orientation, religion, age, disability or race.

Business Strategic Manager (Liver Diseases Research Group)

VHIR - Vall d'Hebron University Hospital

The Liver Diseases Group (LDG) at VHIR is seeking to fill a position with an enthusiastic person with background in finance, innovation and science, preferably life sciences, and who is familiar with the healthcare environment, to develop an integrated project that entails strategic assessment, economical planning, fundraising, human resources management and talent development within the group, at the local and international level.

JOB DESCRIPTION
