

AJUT CARLES MARGARIT

CONVOCATÒRIA 2024

Final Resolution Informative Note

I, Miguel Segura, acting as President of the Internal Evaluation Committee (IEC) of the University Hospital Vall d'Hebron - Research Institute (VHIR), manifest that the publications section of all the applications for the research call "Ajuts Carles Margarit 2024" have been revised due to the detection of some inconsistencies regarding the acceptance of non-original or review publications.

The committee has then revised and applied the following criteria for the publications section of "Ajuts Carles Margarit 2024" call:

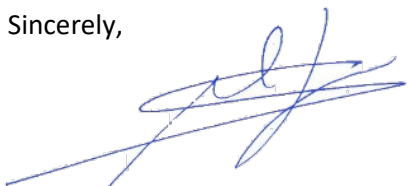

- It has been considered original articles, short communications and 1 review for each candidate.
- It has not been considered case reports, clinical cases and spot the diagnosis.
- The score of each publication has been given according to this table:

1st author or corresponding	10 points
2nd or 3rd author	7 points
> 3rd author	2 points
If Q1 add 5 points for each publication	5 points
If Q2 add 5 points for each publication	3 points

Applying the described criteria, the final resolution has been published (see the second page) with all publications of all candidates revised and adjusted increasing or decreasing the previously given score. We apologize for any inconvenience this may cause.

Barcelona, on March 26th, 2024.

Sincerely,

Miguel Segura – President of the IEC
